Hello!

We would like to set up a conference call with IPV2 and Joe DiRienzi, Elias Brothers project manager to discuss questions about upcoming schedules, scopes, and actions.

Joe is available Tuesday December 27<sup>th</sup> at either 8am or 430pm or on Wednesday December 28<sup>th</sup> at 430pm.

Could members of the board please respond with tentative availability to which day or times provided work best for the board, or which day and time would be best for the community. We will set up a call invite to go out.

Thank you,
