Doug,

Upon receipt of your email this afternoon I tried to call but was unsuccessful so I left you a voicemail. I wanted to briefly discuss a few things.

1. The origin of the Xactimate that you emailed to us of which you spent time reviewing, and hi-lighting is actually not our official Xactimate for 17601 Captiva Lane in Island Park. I am not sure how you got that document which was done very early on before EBC ever mobilized at Island Park and it was only done and provided as a sample and shared with the board strictly as an educational exercise showing them what an Xactimate looked like. Can you advise who sent you that document (that you attached in your email to us this afternoon) and perhaps when it was sent to you please?

2. I believe you did receive from the board three (3) of the Xactimate's that we prepared that are specifically from us (none that say Mr. Estimates) and all three say Elias Brothers Contracting Inc. on the top with our logo. Can you please advise if you did in fact receive those? (17600 Captiva – 17601 Captiva & 17603 Captiva)

3. I have attached for your convenience the correct Xactimate for 17601 Captiva for your review. If you could please use this document for any hi-lighting deletions or notes you may want to point out to us as we discussed earlier today it would be greatly appreciated.

Respectfully,

Doug,

Just a friendly reminder to send over those Xactimate's with highlighted notes when you get a chance.

Thanks
