

It states "Final Payment Dwelling for Tidal Water Overflow loss occurring 9-28-2022" on all checks issued so far.

So, I guess Doug will deny the additional money for your estimates 🙄

The money in each check also to pay remediation.

I think Deanna might have negotiated you guys into a conflict

And I'll need to recommend to Elias to stop.

It's asinine to accept a final check

I can't imagine any one from the board signed accepting it as a final payment.

It's asinine to accept a final check for something when construction hasn't even started

Like we had a choice? And you guys can't do this for 1.5 mil?
